TRACK	CENTRAL RACING PARK		QUALIFYING POSITION	1	
DRIVER	Takumi Matsuda		QUALIFYING TIME	20.3	
TRACTION: LOW	☒	MEDIUM	☐	HIGH	☐
STARTING POSITION	1				
TRACK TEMP		AIR TEMP		FINAL POSITION	1

A detailed line drawing of a car chassis from a top-down perspective. The diagram illustrates the layout of major components including the front and rear engines, transmission, differential, suspension arms, and wheels. Key measurements are indicated: the track width is marked as 199 on both the left and right sides. Weight distribution is shown with labels: 'TOTAL CAR WEIGHT' at the top left, 'WEIGHT grams' at the top center and top right, and 'WEIGHT' at the bottom left and bottom right. A 'WEIGHT POSITION' scale is located at the bottom, consisting of a row of seven circles. The third circle from the left is filled red and labeled '25grams' below it. The entire diagram is enclosed in a rectangular border.
